

Service Leaders Roundtable

The Service Leaders Roundtable convenes nonprofit, corporate and government leaders to discuss the evolution of national and community service over the course of the past 20 years, a vision for the next 20 years, and ideas for how to collectively achieve that vision.

Points of Light Institute would like to say a special thank you to the OneStar Foundation and Bank of America for their generous support and partnership in making the Service Leaders Roundtable possible. Both represent the kind of leadership and innovation that will take the service movement to new levels of impact and success.
